Section 3 – External Auditor's Report and Certificate 2025/26

In respect of

Headley Parish Council (Hampshire)

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2026 and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2025/26

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

The authority has disclosed that it has not complied with one of the governance assertions within the Annual Governance Statement. The authority has provided the appointed auditor with an adequate explanation for non-compliance and details of the actions necessary to address identified weaknesses.

The authority have provided minutes resolving to reappoint the internal auditor, but the minutes do not indicate whether the independence of the internal auditor has been considered, which is not in line with best practice contained in the Practitioners' Guide.

The smaller authority should give consideration to their level of reserves as, after accounting for earmarked reserves, general reserves are low. The Practitioners Guide notes that the generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained at between three and twelve months of net revenue expenditure, dependent on the size and activity level between councils. The level of both earmarked and general reserves should be considered as part of their annual budgeting process.

The smaller authority does not appear to have a system in place that considers income and expenditure powers when making decisions or payments. The authority need to have robust procedures in place to prevent any decisions or payments being made that are ultra vires.
