HEADLEY PARISH COUNCIL

Minutes of the Meeting of the Parish Council held on Monday 14th September 2026 at the Pavilion, Mill Lane, Headley at 7.30pm

Present:

Cllr Rebecca Hudson
Cllr Neville Merritt
Cllr Tony Williamson
Cllr Ann Sherburn-Hall
Cllr Sarah Belotti
Cllr Anthony Williams
Cllr Paul Tansley
Cllr Sally Laker
Cllr Ben Daunter

In attendance: Mrs Rachel Audsley (Clerk & Executive Officer, Cllr Debbie Curnow-Ford, one member of the public (MOP)

C051/26 **Apologies for absence**
Mark Dickens, Lesley Coombes and Stephen Thair of which reasons were accepted.

C052/26 **Public Participation**
An open session for members of the public and Councillors to propose items for discussion on a future Agenda, raise questions* on Parish Council matters and to express their point of view on items for discussion on this Agenda**. Session limited to 15 minutes, 3 minutes per speaker.

One member of the public attended to request permission to discreetly scatter ashes on Arford Common as per their late partners wishes and connection to the parish. It was agreed by those present to the discreet scattering of the ashes in a quiet area and that no memorial would be permitted as per HPC Memorial Policy.

C053/26 **Declaration of Interests**
To receive declarations of disclosable pecuniary interests and other interests from Councillors on matters to be considered at the meeting.

The disclosure must include the nature of the interest. If you become aware, during the course of a meeting, of an interest that has not been disclosed under this item you must immediately disclose it. Whether you can remain in the meeting and the extent to which you can participate depends on the type of interest you have.

None.

C054/26 **Council Minutes**
To confirm the minutes of the last meeting of Full Council held on 13th July 2026.

Chairman signature……. Date……

RESOLVED: To confirm the minutes of the Full Council meeting held on 13th July 2026. One small omission was raised in relation to minute C044 whereby the cost of the replacement keys for the pavilion was omitted. This has now been rectified.

C055/26 **Committee Minutes** To receive the minutes of the Planning Committee held on 3rd August 2026.

The minutes of the Planning Committee meeting held on 3rd August 2026 were received.

To receive the minutes of the Planning Committee held on 7th September 2026.

The minutes of the Planning Committee meeting held on 7th September 2026 were received.

C056/26 **Chairman's Report**
The Chairman's report was received and attached to these minutes.

C057/26 **Hampshire County Council matters**
To receive the County Councillor's Report
County Cllr Debbie Curnow-Ford was at the meeting, and her report is attached to these Minutes.

The new pedestrian warning signage was noted along Crabtree Lane.

To note any Highways Orders for information
None.

C058/26 **East Hampshire District Council**
To receive the District Councillor's Report
District Cllr report is attached to these Minutes.

C059/26 **Council Representatives**
To receive any important reports from Council representatives

Headley Village Hall
A meeting was held on Friday 4th September at 8.00 p.m. Whereby further discussion was around HPC vacating office suite and consulting with local commercial agents for new tenants.
Internal decoration was discussed and due to insufficient volunteers for painting quotes had been sought. Consideration had also been given to update the window dressings with roller blinds and/or curtains.
Focus has also been on Energy Efficiency
Thermal images taken were reviewed at the end of August and report produced. It identified

- Roof replaced recently and insulated so not main area of heat loss

Chairman signature……. Date……

- Main areas walls, glazing at the front of the hall and soffits at ground level

Grant opportunities were discussed but HVH funds are limited. Radiator reflecting panels and draft excluder to be ordered.
MOTHS (Maintainer's Of The Village Hall)
A draft list of tasks that might be undertaken by volunteers had been drawn up. E.g. check/clear leaves in drains and gullies, change light bulbs, etc.
Skylight repairs or replacement had been sought but to date no contractors have replied.

Headley Sports Association
The EGM held on 23.7.26 when it was agreed that the charity should be dissolved on 31st July 2026
Procedures dictated by the charity's constitution were carried out and the dissolution was registered with the Charity Commission on 24.8.26. This has been acknowledged but not yet confirmed. Can take 16 weeks.
£8,796.11 was transferred to HPC on 23.8.26 – see HPC bank receipts and page 4 of HPC accounts. This is on the proviso that there are no unexpected future demands for payment by the HSA
All four bank accounts have been closed.

River Wey Trust
Cllr Merritt advised that a further release of 300 water voles in the Elstead to Sands area. A new Chair will be signed in at their next meeting.

Transport
Highways agreed to re-instate the speed roundels and slow road markings around the village. If you know of any faded areas, to notify Cllr Daunter.

Parish Enhancement Group
Minutes and recommendations are included further in the agenda. The next meeting will take place on Tuesday 15th September.

C060/26 **Financial matters**

a. To receive and sign as approved bank reconciliations for June 2026 and accompanying Trial Balances.
RESOLVED: Members received and approved the bank reconciliations and trial balance for June 2026.
b. To receive and sign as approved bank reconciliations for July 2026 and accompanying Trial Balances.
RESOLVED: Members received and approved the bank reconciliations and trial balance for July 2026.

Chairman signature……. Date……

c. To receive and approve the list of payments, including credit card payments for July 2026.
RESOLVED: Members received and approved the payments (including credit card payments) for July 2026 consisting of 25 transactions totalling £19,977.99

d. To receive and approve the list of payments, including credit card payments for August 2026.
RESOLVED: Members received and approved the payments (including credit card payments) for August 2026 consisting of 31 transactions totalling £31,121.92

e. To receive and approve the list of receipts for July 2026.
RESOLVED: Members received and approved the receipts for July 2026.

f. To receive and approve the list of receipts for August 2026.

g. **RESOLVED:** Members received and approved the receipts for August 2026

h. To receive and approve income and expenditure for July 2026.
RESOLVED: To approve the income and expenditure for August 2026.

i. To receive and approve income and expenditure for August 2026.
RESOLVED: To approve the income and expenditure for August2026.

j. To receive and approve the list of payments and receipts from the Pavilion

RESOLVED: To approve the list of payments and receipts from the Pavilion for July 2026 consisting of 5 transactions totalling £3,763.07.

RESOLVED: To approve the list of payments and receipts from the Pavilion for August 2026 consisting of 13 transactions totalling £29,980.90

k. To note any payments made outside of meetings under the Scheme of Delegation.
   - Posts around the defibrillator at the allotments £384.00

C061/26 **To receive the External Auditor Report for 25/26**

Unavailable at the time of meeting.

C062/26 **Internal Matters**

a. To note Data Audit Review

The previously circulated Audit Review document was noted. The Clerk advised that this would be a working document and reviewed regularly. Data Protection Training would be arranged for all Council members and office staff in due course.

b. To appoint Internal Auditor

Chairman signature……. Date……

It was agreed to appoint Mulberry and Co as the Internal Auditor for 2026/27 on a three year engagement.

C063/26 **Open Spaces & Sport**

a. To receive the minutes and recommendations from the Parish Enhancement Group
   The minutes and all recommendations contained therein were received and approved.
b. To note Village Green water/electric mole issue and subsequent quotations for works.

   It was agreed by those present to consider excavating costs around the green rather than straight across and present quotes at next meeting.

c. To consider quotation for replacement of bollards and repairs around Standford Green.

   It was agreed by all those present to accept the quotation from MJR services at £424.00
d. To consider installation of bench and re-siting of bin on Standford Green and associated costs.
   It was agreed by those present to apply for a District Cllr grant for a new picnic bench and replacement bin at Standford Green.
e. To consider quotation to repair Arford Common steps.
   It was agreed by those present to accept the quotation from MRJ services for £382.00
f. To consider quotation for tree works on Arford Common and Standford Green.
   It was agreed to accept Hampshire Tree and Garden Services quotation for the tree works at Standford at a cost of £960.00 subject to permission for EHDC and Arford Common at a cost of £1,980.00.
g. To receive report on Traffic Calming for parish and associated next steps.
   Cllr Daunter explained in detail his meeting with HCC Highways department, their agreement to repaint the roundels and slow markings around the village. Additional Speed Indicator Devices (SIDs) were discussed at the meeting. HCC would assess up to 10 additional sites at a cost of £450. It was proposed by Cllr Williams and seconded by Cllr Tansley and agreed by all those present to proceed with this assessment.
h. County and District Cllr grant pots – consider priorities for applications.

Chairman signature……. Date……

It was agreed by all those present to apply to both District Cllrs Williams and Millard for the Standford bench and bin and C. Cllr Curnow-Ford for £450 towards the SIDs assessment.

C064/26 **Pavilion**

a. To consider air conditioning quotation for The Balcony and Brodrick Room
   At the time of the meeting, only two quotations were available. It was agreed to present at a future meeting when three quotations had been received.
b. To consider power pole quotation for Brodrick Room
   It was agreed to accept the quotation from Butler and King to install a power pole at a cost of £1099.90.
c. To consider revised quote for fencing outside air conditioning until at pavilion.
   It was agreed to accept a quotation from JB Corrie to enclose the air conditioning unit at a cost of £2357.11

d. Consider clubs usage of bar update

   Deferred to a future meeting.

d. Consider quotation for accessible path to Tennis Courts for £4.950
   It was agreed this was not required for now, but a nice to have therefore to consider in the future should funding become available.
e. To consider quote to repair uneven path behind pavilion
   It was agreed by those present to accept J Doran quotation for £1,250 to replace the broken footpath.

Chairman signature……. Date……

Chairman's Report to Council – September 2026.

I am pleased to report that the two months since our last meeting in July have been relatively quiet; in terms of external happenings at least.

Underlying this surface appearance of peace, Councillors and our Executive Officer and staff have all been very busy looking after the day-to-day functions of the Council. Additionally, there has been significant progress on the two core Parish development areas, the Parish Enhancement Group (PEG) and the Mill Lane Playing Fields development.

The PEG has been steadily building for the future. Key themes have been the appointment of monitors for the various parcels of owned land across the Parish. Their role is very much the oversight of the land area, working with the PEG and our Executive Officer to identify needed maintenance and improvement of facilities, plus reporting the inevitable land and tree issues as they arise. This later need was very much in evidence this month with the potential act of vandalism to a tree and its tree guard on the Village Green orchard; albeit possible that the act of vandalism may have been more accidental than deliberate, it still required rectification!

The Group has also focused on the exciting task of bringing the Standford Land parcel back into public access and use. It's not going to happen overnight, but we now recognise that this long "forgotten" tract of land is actually an ecological treasure and with careful management can finally be opened up for safe public visitation and peaceful enjoyment. Much preparation work has taken place this month.

I note here that the Group is determined to develop through working with willing volunteers. We have seen that model of stewardship in action for example at the Fullers Vale Pond. Talking of which, although the Pond was not in Council ownership at that time, the transfer of ownership to the Parish Council is now progressing I understand and should be completed soon.

The other major current endeavour is the continuing development of the Mill Lane Sport complex. The build phase is now long complete – albeit there is still a small number of snagging issues being dealt with. We are still developing processes to meet the operational requirements of the complex - both Pavilion and sports fields. This operational oversight will be very much enhanced by the relocation of the Parish Office to the Headley Pavilion. The office move is now subject to detailed planning and is currently slated to be complete by May of next year. More information concerning the move will be made available in due course.

During August, we saw the creation of W.G Disgrace, the Council's very own entry into the Scarecrow Trail competition. Sadly, W.G wasn't declared a winner despite the incredible efforts of Councillor Williamson and his (long suffering!) wife. And equally on a social note, the Council was able to hold its annual social event postponed from Christmas due to the (at that time) extreme workload in supporting the Pavilion development. We were hosted by the recently

arrived Headley and Bordon Petanque Club; playing a number of ends in the late August sunshine. Why do I mention this? It is because we individually and collectively learned a lot about the game. Specifically, what a marvellous sport it is for those who may not necessarily consider themselves to be 'sports' people. It is fun and social, and I genuinely believe it to be a great asset for Headley Parish. Upward of 25 Headley residents have joined the club since its arrival. What is equally encouraging is that many Headley based club members walk rather than drive to play.

And finally, the new defibrillator on May Close outside the Liphook Road allotments is in place and functioning. Regrettably its siting has effectively taken over what used to be used as a parking spot and this has caused a degree of friction. I am hopeful that users who previously parked in that space will agree that this facility is of great importance to allotment holders and residents along Liphook Road and be happy to find alternative parking arrangements.

Councillor Dickens

Chairman

DISTRICT COUNCILLOR'S REPORT - September 2026

I start, of course, with the announcement on Monday 7 September by Angela Rayner that the plans for Local Government Review in Hampshire and other counties have been put on hold as the Government had received "new legal advice"! So, we revert to East Hampshire District and Parish Council elections taking place in May 2026, although the term of the elected councils has not been announced. Although the Government had been the subject of various legal challenges and judicial reviews, I personally did not think that a total "suspension" of LGR was a possibility. It would appear that LGR in East and West Surrey will go ahead as they have already voted for shadow Unitary Councillors.

August is always a quiet month for District Councillors, since my last Report I have chaired the Planning Committee – although the September meeting has been cancelled. I attended a meeting of the small subcommittee tasked with the preparation of a History of East Hampshire. I am not sure if this will now go ahead if EHDC is to continue. On the 2nd September there was an all Councillor LGR Update – since overtaken by the subsequent announcement! I attended the Constitution Liaison Panel whose main task was to agree changes to the Council's Constitution reflecting the Government's "National Scheme of Delegation for Planning Functions" to be introduced on 30 October. These will reduce the number of planning applications that can be brought to the Planning Committee. Currently most applications in East Hampshire are decided by Officers under delegated powers. The legislation increases the type of application that must be delegated, and only Tier 2 applications may be brought to the Committee – subject to the agreement of a planning officer – and myself! Members had a briefing on the current Community Action Fund process. The fund has a budget of £129,000 and applications may be submitted up to 5th October by not for profit organisations "to enable climate action and benefit the wider community" Further details are on the EHDC Press Release.

The Local Plan Working Group discussed the latest National Planning Policy framework (published 17th August) whose main purpose is to increase housing delivery. One section – S5 Development outside Settlements, states that even if you have a Local Plan, S5 can override it! The question of recommencing the preparation of a Local Plan for East Hampshire (which was suspended because of LGR) was discussed and a forthcoming meeting is to be held to discuss the recommencement. (This was also discussed at the Teams Planning Briefing). Changes to Biodiversity Net Gain were also discussed. The ongoing problem of insufficient water supplies – primarily to Alton and Four Marks and Medstead has not been resolved, particularly whether the inability of South East Water to supply water to new developments is a valid reason for refusal of current planning applications – and whether a refusal would be accepted by the Planning Inspectorate. Ongoing talks with Basingstoke & Deane and Hart, and South East Water are taking place.

I attended the Audit Committee. EHDC currently has a surplus of £145,000 – but this always changes by the year end – up or down! My food waste bins were delivered this week. The date of commencement has yet to be announced. I note from the Cabinet Agenda that "The Hampshire Water Transfer and Recycling Project is a Nationally Significant Infrastructure Process" is being considered. I await further details of this Project.

Lastly, I note that 9 properties were transferred by the District Council to Whitehill Town Council under the Community Asset Transfer scheme. These included the Forest Community Centre and Whitehill Village Hall. I have no details of the financial arrangements of these transfers.

Anthony Williams

Update from your Hampshire County Councillor – Sept 2026

Greetings to the Officers, Staff and Members of Bramshott and Liphook, Headley, and Grayshott Parish Councils. I hope you've had a wonderful summer and holidayed somewhere a little cooler than home! At least the grass didn't need mowing, but my plants and trees are looking very desiccated. It's "back to school" for me this week with a meeting of the Corporate Services and Resources Select Committee on Thursday.

Bramshott and Liphook

Finally, after 5 years of lobbying, the traffic calming measures on **Headley Road** were installed during the school summer holiday. Whilst the permit allowed for works to continue until 6/9, I am very grateful that work was completed, and the road open on Sat 29th August before schools re-opened on 1/9.

These measures followed accidents on the zebra crossing and reports of excess speeding. Some residents were unhappy about the road closure and diversion signage and improvements were made. Others have complained that the height of the raised platforms is not high enough to be effective. Therefore, I was very pleased to be advised by our Deputy Parish Clerk, Geraldine Sheedy, that the local speed watch camera had not been triggered, which suggests that the traffic calming measures are having the desired effect in slowing traffic approaching the zebra crossing. I've followed up another resident's request that a hedge belonging to a private house needs to be cut back to allow pedestrians with buggies to safely use the footpath by the new bollard. There have been positive comments which I've passed onto the Highways team.

Residents of **Dryden Way** are concerned that parked cars and potholes are making it dangerous to pull in to/out off Dryden Way to the Headley Road/B3004 Hill House Hill. I've asked Highways to escalate the pothole repairs with our contractors and to advise how the parking might be addressed.

I have asked Highways to consider applying a 30mph limit on **Conford Road** into the hamlet from B3004 as there are streetlights on this stretch of road. I've again asked for the replacement of the signage at the junction of Conford Road/B3004 to be escalated.

Our Parish Clerk, Jane Sawyer and I have a meeting with Highways Planning officers regarding outstanding requests for traffic improvements and proposed traffic flows through **The Square.**

Headley

Following my August meeting with Cllrs Tony Williamson and Ben Daunter in **Arford** to discuss **possible traffic calming measures** to enforce the 20mph speed limit, we held an online meeting with the Highway's officer responsible for safer roads in East Hants where a number of suggestions were discussed and actions were taken. This includes re-painting the 20 mph roundels, the long awaited pedestrian safety white line on Liphook Road, and other measures to be presented to HPC.

Update from your Hampshire County Councillor – Sept 2026

Many thanks to Headley Parish Council's for inviting me to their Christmas Party on a very sunny summer afternoon on 31 Aug. Yes, really!! 🎅 I joined in a game of pétanque on HPC's a new 16-lane pétanque terrain at the Headley Parish Council playing fields on Mill Lane as part of the Headley Pavilion.

Grayshott

Members and officers from Grayshott Parish Council and I met with officers from Highways at the Parish Office and visited Headley Road to identify and discuss possible solutions for safe crossing points and completion of the Headley Road traffic calming scheme at the east end of the village. I have asked Patrick Blogg, Director of HCC Universal Services for an update on Highway's proposed actions.

HCC has received a resounding response against the TRAFFIC ORDER PROPOSALS – PROHIBITION OF WAITING AND DISABLED PARKING SPACE ON SCHOOL ROAD, GRAYSHOTT, from residents, Grayshott Parish Council and me. I await an update from HCC Highways on what they plan to do.

At the request of a resident from Hammer Lane, Grayshott, I met with managers from Southeast Water (SEW) to understand why water supply to these homes is regularly disrupted. I was pleased that SEW had already identified and addressed one issue affecting the flow of water 35m uphill! A series of additional network improvements is being followed up.

Grayshott Parish Council invited me to their Volunteers Networking Event on Friday 21st August where more than 30 representatives from local community organisations came together for a vibrant and inspiring event which was supported by a grant from East Hampshire District Council's **Grow Up!** Initiative.

As **County Councillor representative to outside organisations,** I attended

A meeting of the Deadwater Valley Trust Board on 14th July. The DVT wardens and volunteers do an amazing job looking after The Bordon Inclosure, Deadwater Valley Local Nature Reserve and Hogmoor Inclosure.

Councillor Grant Scheme 26/27

I am pleased to report that I have now given the following grants.:

Grayshott Community Orchard	Installation of secure storage shed and base within the Community Orchard	£1000
LipCAN (Liphook Climate Action Network)	Public screening of the People's Emergency Briefing film on 23 Sept at Liphook Millenium Centre	£100
Conford Village Hall Trust	Replacement of the outdoor defibrillator cabinet.	£950

I have £2,950 remaining to allocate to applications until the end of the current funding period on 28/02/2027.

Please go to https://www.hants.gov.uk/community/grants/grants-list/county-councillor for (new) criteria and application form.

Update from your Hampshire County Councillor – Sept 2026

News from Hampshire County Council (HCC)

Confused about Local Government Re-organisation?

Helping you navigate the wider LGR programme across Hampshire

Future Hampshire is the Hampshire-wide programme that is coordinating the implementation of local government reorganisation (LGR) across the 14 councils involved. It is helping councils work together to plan and prepare for the creation of four future unitary councils in April 2028.

Go to https://www.futurehampshire.gov.uk/ which brings together key information about the area-wide LGR programme, including programme milestones and background information.

Hampshire and the Solent's Combined County Authority

Bringing more power and responsibility home

The Government has announced proposals for what it describes as the biggest transfer of power, funding and responsibility from Westminster in a generation. The direction is welcome: decisions should be made closer to the communities they affect, with local leaders given the flexibility to deliver rather than having to navigate repeated Whitehall approvals and short-term funding pots.

The proposals include:

- Mayors retaining a share of locally raised business rates from April 2027, followed by a share of income tax from 2028, with safeguards for areas with weaker tax bases.
- Greater local control over buses, integrated ticketing and commuter rail, with fewer Whitehall approvals for locally funded transport projects.
- Control over employment support and 16–19 skills funding so training can better reflect the needs of local employers and young people.
- More influence over housing, regeneration, affordable homes and development corporations.
- Greater coordination of health, policing, fire, education and support for young people, with more scope to pool budgets and invest in prevention.

The Government has also committed to improving council financial sustainability, including reform of the services placing the greatest pressure on local budgets: adult and children's social care, homelessness and SEND. A detailed public-service reform white paper and fiscal-devolution roadmap are expected alongside the Budget on 28 October.

Hampshire and the Solent's Combined County Authority already covers Hampshire, Portsmouth, Southampton and the Isle of Wight and has secured a £1.3 billion investment fund. I believe the mayoral election should be brought forward from 2028 to 2027 so residents can choose a directly elected regional voice as these new powers begin to take effect.

Children and Young People

A new three-year plan for SEND support

Hampshire County Council and NHS Hampshire and Isle of Wight have developed a new three-year plan with parent and carer forums, schools, education settings, health and social-care professionals and voluntary organisations. The aim is that every child receives the right support at the right time, wherever they live in Hampshire.

Update from your Hampshire County Councillor – Sept 2026

The plan includes:

- Earlier access to locally based specialists, including educational psychologists, occupational therapists, speech and language therapists and specialist teachers.
- More SEND provision in mainstream schools and greater consistency from early years through to age 25.
- Investment in local provision so more children can attend school in their own communities.
- A stronger voice for children, parents and carers in shaping services and resolving issues earlier.

Government funding of £9 million will help launch the new Experts at Hand service, giving education settings faster access to specialist support and advice. The plan is an important starting point, but success must be measured by the real experiences and outcomes of children and families.

Results-day support through Hampshire Futures

I hope everyone received the A-level results they were hoping for. For those whose results were not what they expected a disappointing set of grades does not close off the future: careers advice, employment, apprenticeships and alternative routes remain available, and Plan B is still a plan.

Careers information: https://www.hants.gov.uk/educationandlearning/hampshirefutures

Apply for a secondary school place by Halloween

Parents and carers in Hampshire are being reminded of the secondary school application deadline for children due to start Year 7 in September 2027 which must be submitted to Hampshire County Council by 11.59pm on Saturday 31 October 2026 here:
https://www.hants.gov.uk/News/20260904secadmissions

Waste and Recycling Safety

Please recycle batteries and vapes safely

A recent fire in a refuse-collection vehicle is believed to have been caused by a vape placed in household waste. Nobody was injured, but Hampshire and Isle of Wight Fire and Rescue Service had to attend. Lithium-ion batteries can ignite when crushed during collection, putting crews at risk and damaging vehicles.

- Never put batteries, vapes, mobile phones, laptops or other electrical items in household bins.
- Recycle batteries at participating supermarkets, retailers or Household Waste Recycling Centres.
- Take vapes to participating retailers or Household Waste Recycling Centres.
- Take phones, laptops and other electrical items to a Household Waste Recycling Centre.

Find local recycling options: https://www.hants.gov.uk/wasteandrecycling

Update from your Hampshire County Councillor – Sept 2026

News from Hampshire Highways

Left Behinds/Over Runs

Highways took advantage of school holidays and the dry weather to crack on with repairs and planned maintenance. In some cases, works have been rescheduled to allow for diversions. Hence you may see trestles, signs and barriers on the side of roads waiting to be collected. I refer to these as "left behinds". However, they're officially referred to as Over Runs if they're still there after the Streetworks permit has expired. I'm going to report this one on the corner of Longmoor Road/Loseley Farm Drive, Liphook AGAIN!

Please do report these unsightly items on the Highways Portal https://www.hants.gov.uk/transport/highways/report-a-problem/abandoned-signs

Hampshire County Council confirms mid-September phased opening for M27 J10 improvement scheme

The new M27 Junction 10 scheme will soon open to traffic marking a major milestone in of one of the county's most ambitious transport infrastructure projects.

For more information https://www.hants.gov.uk/News/M27-Opening-Underpass

New HCC Executive Member for Highways visiting Liphook

Cllr Steve Forster will be visiting Liphook on Friday 2nd October when we will have the opportunity to brief him on traffic issues in and round The Square.

Reporting Highway Problems

Links to report road issues are here:

Potholes: https://www.hants.gov.uk/transport/roadmaintenance/roadproblems/potholes

Tree/hedges: https://www.hants.gov.uk/transport/roadmaintenance/roadproblems/treehedge

Flooding/drainage: https://www.hants.gov.uk/transport/roadmaintenance/roadproblems/flooding

Pavement problems: https://www.hants.gov.uk/transport/roadmaintenance/roadproblems/paving

Rights of Way:
https://www.hants.gov.uk/landplanningandenvironment/rightsofway/reportaproblem

You'll be sent an email confirming a reference (Enquiry) number for the report. If you would like me to follow up please forward that message to me.

Check for planned and emergency road closures and diversions at Causeway one.network https://one.network/ or National Highways at https://m.highwaysengland.co.uk/
